Basis for Calculating Amounts Charged to Patients

California Rehabilitation Institute utilizes the “look-back” method to determine the “amounts generally billed” (AGB) to individuals who have insurance covering other Medically Necessary Care. The AGB percentage applicable as of 1/1/2024 at our facility is 21%.

The amount was calculated using all claims allowed by Medicare (Traditional) having discharge dates from December 1, 2022 to November 30, 2023. Total expected payment from allowed claims was divided by total billed charges for such claims.
